

**JUSTINE LOADER, C.Tech.**  
**MESC: EASTERN CANDIDATE**

**Based on the Terms of Reference for the committee(s) for which you are applying, please describe how your skills/background make you an ideal candidate.**

I am an ideal candidate for the MESC due to my strong alignment with the committee's mandate and responsibilities. I bring a passion for member engagement and professional recognition, combined with a strategic mindset for recruitment and retention initiatives. I understand the importance of strengthening the membership experience and am committed to advancing the value and visibility of OACETT membership across all regions and specifically the Eastern Ontario Region.

With experience currently sitting on the committee, program development, outreach, and collaboration, I am well-equipped to contribute to implementing and evaluating membership services, supporting regional and chapter networks, and promoting OACETT's professional standing. My background also includes participating in or leading initiatives which are key elements of the committee's scope.

I am collaborative, policy-aware, and results-driven, with the ability to work effectively within a committee structure while respecting governance processes and budgetary constraints. I am enthusiastic about helping shape the future of OACETT membership and am ready to bring energy, insight, and dedication to the committee's work.

**Please describe any relevant volunteer experience, either with OACETT or with any other organization(s).**

In the 2023–2024 year, I served as the Women in Technology (WIT) representative for the Renfrew County Chapter of OACETT. One of the highlights of this role was the opportunity to volunteer as a judge at the Renfrew County Youth Science Fair—an experience that allowed me to connect with and inspire the next generation of STEM professionals.

Since February 2024, I have held the Eastern Ontario Member Engagement and Services Committee (MESC) position. In this capacity, I have actively engaged with all seven chapters in our region, providing support with their annual chapter grants, relaying feedback and concerns to the Committee and Head Office, and making myself readily available to address the needs of the chapters as their regional representative.

Although I have only been in this role for a year, I feel I am beginning to build strong momentum. I am excited about the proposed evolution of the committee's accountability structure and the forthcoming updates to the Terms of Reference. I look forward to continuing my involvement and contributing to the positive development of the MESC.

**COLIN SAUVE, C.Tech.**  
**MESC: EASTERN CANDIDATE**

**Based on the Terms of Reference for the committee(s) for which you are applying, please describe how your skills/background make you an ideal candidate.**

I'm a problem and solutions expert within my field and would like to focus on the people and purpose aspects of this position. I believe I can make a difference and guide other members to success.

**Please describe any relevant volunteer experience, either with OACETT or with any other organization(s).**

I am currently volunteering with Canadian Institute of Quantity Surveyor's as I am a PQS as well.

**SHAWN WESSEL, A.Sc.T., rcji**  
**MESC: EASTERN CANDIDATE**

**Based on the Terms of Reference for the committee(s) for which you are applying, please describe how your skills/background make you an ideal candidate.**

I am currently a member of the GSPC and enjoyed participating in the process of the new Strategic Plan and believe that so have more to offer the committee for another term.

As a secondary choice and if not able to join GSPC committee I would like the opportunity to participate on the MESC as I was previously the 2016/17 PASB councillor for Eastern Region and am actively on my Ottawa Chapter.

I would appreciate the opportunity to participate in focusing on member engagement, new member strategies and retention of the current membership, CPD and any other initiatives that this group decides to mandate.

**Please describe any relevant volunteer experience, either with OACETT or with any other organization(s).**

I am currently the Vice Chair and former Chair of the Ottawa Chapter while also being on the GSPC at the moment.

I have previous experience as Ottawa Chapter Exec member for last 15 years and am a past PASB Eastern Regional Councillor for 2016/17.
