WIT Matching Funding

OACETT will match up to \$250.00 for a WIT-led chapter presentation/event, i.e. The chapter will contribute matching dollars.

These funds have traditionally been used to offset the price of a venue rental, presenter fee, and presenter gift and to subsidize registration fees for members and students.

The funds are generally issued to the chapter following the presentation/event.

Brief description of the event and what the funds will be used for.

Return completed form to Stephanie Taaffe, at staaffe@oacett.org
